

REMARKS

In response to the Notice of Non-Compliant Amendment, Applicants have canceled Claims 19 and 21 and added new Claims 63 and 64. The new claims are supported in the specification, for example, at page 3, lines 7-25 and page 16, lines 7-9. This amendment does not add new matter.

Applicants submit that the present application is in condition for allowance. In light of this Amendment and the Response filed September 2, 2005, all of the pending claims are both novel and non-obvious over the art of record. For the foregoing reasons, Applicants respectfully request reconsideration of the above-identified patent application and earnestly solicit an early allowance of same.

Respectfully submitted,

BELL, BOYD & LLOYD LLC
